Hey Annie,

It was great to meet you last week. I am writing to update you on the [REDACTED] case, which is scheduled for 1/3 in Quincy. I believe you said you were available that day and had another case on 1/4. As far as I know, we are going ahead with the trial. I emailed the defense attorney to verify. I would anticipate your testimony on either Monday afternoon or Tuesday morning, depending on when we begin the trial. Hope you have a good holiday! Thanks!

Hey Annie,

Attached please find a summons for the Commonwealth v. [REDACTED] case, which has been continued by the defense attorney to 1/3/12. I will also mail a copy of the summons to your attention. I anticipate that the case will go forward on that day. Including the 4 individuals that I have summonsed for chain of custody of the pills, there are 9 witnesses. As such, it likely will go two days. Please let me know if you have any scheduling issues. I will be in touch as the date approaches. Happy Thanksgiving. Thanks!
